

Dear Hiring Manager,

I am writing this letter to recommend Mohit Aphale for the position of Security Engineer at your company. Mohit was the Secure Code Review specialist at Aujas networks for nearly 2 years and proved himself to be a consummate professional and comprehensively reliable. I was Mohit's manager for 2 years and every time he has made us proud with his expertise with his knowledge and work handling skills. He allowed me and my employees to work in a safe environment and kept our infrastructure secure as well.

Mohit was appointed for performing Secure Code review, Architecture and Design Review, Vulnerability Assessment and Penetration testing for clients external/internal facing Web, Mobile applications and Thick Clients.

Another strength of Mohit is his reliability. He never missed a deadline, and he always completed his rounds with thoroughness and dedication. He is an excellent employee, a hard worker, and a friendly face around the floor as well, and I recommend him very highly for any position.

Sincerely,
