

Dear Hiring Manager,

I am writing this letter to recommend Mohit Aphale for the position of Cyber Security. Mohit was the Secure Code Review specialist at Aujas networks for nearly 2 years and proved himself to be a consummate professional and comprehensively reliable. I have been Mohit's manager for 2 years and every time he has made us proud with his expertise with his knowledge and work handling skills. He allowed me and my employees to work in a safe environment and kept our infrastructure secure as well.

Mohit was appointed for performing Secure Code review, Architecture and Design Review, Vulnerability Assessment and Penetration testing for clients external/internal facing Web, Mobile applications and Thick Clients and IoT devices. He has solid knowledge about Cryptography and Secure by design methods.

Another strength of Mohit was his reliability. He almost never missed a deadline, and he always completed his rounds with thoroughness and dedication. He was an excellent employee, a hard worker, and a friendly face around the floor as well, and I recommend him very highly for any position.

Sincerely,
